

CHARGER

Strong Waterproof & High Efficient Smart Charger

- 12 Months Warranty
- IPX8 Waterproof
- Multi level protection from over voltage, current, temperature & longer service life
- Stable voltage regulations & No consideration of short circuit

CONTROLLER

Strong Waterproof & High Efficient Controller

- 12 Months Warranty
- IPX7 Waterproof
- Longer service life & No noise
- ABS & CAN Function Based

CHARGER

Strong Waterproof & High Efficient Smart Li-Ion Battery

- 36 Months Warranty
- IPX7 Waterproof
- Smart BMS and GPS tracking system
- Very high power density & optimized for maximum torque per ampere

MOTOR

Strong Waterproof & High Efficient Liquid Cooling Motor

- 12 Months Warranty
- IPX8 Waterproof
- Multi level protection from over voltage, current, temperature & longer service life
- Very high power density & optimized for maximum torque per ampere
